**Re: Walbro LLC f/k/a Walbro Engine Management, LLC v. TI Group Automotive Systems, LLC d/b/a TI Fluid Systems, Case No. 7:24-cv-05662 (S.D.N.Y.)**

Dear Judge Seibel:

We represent the Defendant in this matter. We write to request an adjournment of the conference scheduled for September 6, 2024. No previous request has been made to adjourn this conference.

Defendant seeks to adjourn this conference to allow time for the third-party defendant Electrical Components International, Inc. ("ECI") to appear in this case and participate in the conference, including joining in the preparation of the Civil Case Discovery Plan and Scheduling Order the parties must submit in advance of the conference. (We note that the Court scheduled the September 6 conference prior to the time that ECI had been served with process in this case.) We assume your Honor would prefer to have all parties present at the time of this conference.

We have conferred with counsel for Plaintiff (copied here), and they do not oppose an adjournment. Thank you for your consideration.

Respectfully,

A handwritten signature of Joel H. Rosner.
